SPECIAL EVENT PERMITS

What qualifies as a Special Event?

Any activity or event that is held on city property and will be serving alcohol, charging admission, expecting large crowds, or requiring the use of city services [such as street closures for a race or police for security] is classified as a Special Event and will need a Special Event Permit. **Applications are due 90 days prior to the event, whether new or recurring.** If you'd like to apply for a Special Event Permit, please use our checklist for an overview of the process. See pages 2-6 for more details.

SPECIAL EVENT PERMITTING PROCESS

DATE AND VENUE

Contact our Public Relations Manager at **434.485.7295** or **mauresa.nenadovich@lynchburgva.gov** to see if your desired date and location are available. We will pencil in the event on our calendar at this time.

APPLYING FOR A SPECIAL EVENT PERMIT

You can apply for a permit by filling out our **Special Event Application**. Please note that applying for a permit does not guarantee approval. Special Event Permits are non-transferable.

APPLICATION DEADLINES

Special Event Applications are due **90 days prior to an event**. Failure to meet these deadlines will result in your event not being approved for a permit, since the City will not have adequate time to schedule its services accordingly.

CERTIFICATE OF INSURANCE

All events that occur on city property must have at least **\$1 Million of liability** coverage and the **City must be listed as an additionally-insured party** on the policy. The City of Lynchburg requires the following language to be added to your policy to meet this requirement:

The City of Lynchburg
900 Church Street
Lynchburg, VA 24504

Under the description part of the insurance it must read:
"The City of Lynchburg, its officers, officials and employees are named as additional insured."

Please see the sample on the next page to make sure this is done correctly!

ABC PERMIT REQUIREMENTS

If your Special Event includes the use of alcoholic beverages, you will need a Virginia Department of Alcoholic Beverage Control Banquet License. Your organization will be responsible for obtaining all licenses and paying for LPD officers if you will be serving alcoholic beverages on public property at your event. These licenses are issued through Lynchburg's regional ABC Office, not the City. You can contact this office by calling **434.582.5136** or by visiting the **ABC's website**.

SPECIAL EVENT PERMITTING PROCESS (CONT.)

EVENT DETAILS

The Public Relations Manager's role is to guide the **event organizer** through the application process, see that the proper forms are filled out, and assemble the Special Events Committee to ensure that all city services run smoothly. The Public Relations Manager is not responsible for planning or coordinating the details of an event that is not related to city services. The **event organizer** is responsible for providing specific details for the event along with their application, such as an event site map, race route map, street closure details, details regarding tents, staging, portable toilets, vendor locations, etc., so that we can best serve you.

WHAT HAPPENS AFTER I SEND IN A SPECIAL EVENT APPLICATION?

Our Special Events Committee will review your application. The Special Events Committee is a group of employees from different divisions of the City, such as the Lynchburg Police Department, the Lynchburg Fire Department, Risk Management, Parks and Rec, and Public Works. **This committee holds monthly meetings to review applications and discuss the resources needed.** Once your application is received and the committee has reviewed it, the Public Relations Manager will be in touch with you to discuss your next steps.

EVENT MEETING

Event meetings are on the second and fourth Thursdays of every month and will be scheduled 60 days prior to your event. The purpose of an event meeting is to connect with personnel from multiple city departments to discuss and plan for the specifics of your event. This meeting will either be conducted at your event location or a conference room in City Hall. It will also allow the City to determine how much support will be needed at your event and issue an invoice for this support. We ask that event organizers come to their event meeting prepared to provide event details so we can ensure that everything runs smoothly.

PAY DEPOSIT

After your event meeting, your invoice will be emailed to you. A deposit equal to 25% of your total invoice will be due and must be received before your permit will be issued.

VENDOR LIST

Send a list of your event's vendors, including their names and contact information, to the Public Relations Manager two weeks before your event.

PREPARATION FOR YOUR EVENT

We want your event to be a success! As the **event organizer**, it is your responsibility to think through all of the details to make this a reality. Please make sure you have a well-thought-out plan for: marketing, parking, inclement weather, restrooms, food vendors, notifying neighbors, and amusement tax (if you are charging admission). You can advertise your event free of charge by adding it to Lynchburg Tourism's calendar of events by visiting lyhlovesyou.com.

PERMIT ISSUED

After your application has been approved, an event meeting has been held, and your estimate has been received, a **Special Event Permit will be emailed for your review and signature**. Be sure to look over your permit carefully. It will have all of the details of the city services provided for your event.

FOLLOW UP

About one week after your event, our Public Relations Manager will reach out by email to connect and debrief. We'd love to hear your thoughts, discuss what went well, and learn how we can make your experience even better in the future!

IS THERE A FEE TO SUBMIT A SPECIAL EVENT APPLICATION?

Yes. The cost of submitting an application is \$25, which helps cover administrative review and secures your venue reservation. Application fees are nonrefundable and must be paid in full.

WILL I NEED TO PAY FOR CITY SERVICES FOR MY EVENT?

Yes. **Event organizers are responsible for the cost of all city services** provided for their event. This might mean paying public works to close and reopen the streets or police officers to work overtime and provide security at your event.

DEPARTMENT FEES

Rates are subject to change.

City Service	Standard Rate Per Hour	Holiday Rate Per Hour
Public Works Streets	\$43	\$43
Public Works Grounds	\$43	\$43

INVOICES

An invoice will be emailed to you following your event meeting. A 25% deposit will be due at that time. The remaining balance will be due 30 days after your event.

LIMITATIONS

RESERVATION POLICY

Events are reserved on a **first-come, first-served basis**, however, legacy and annually recurring events will receive priority for scheduling. Event organizers should contact the Public Relations Manager to check on dates and locations before filling out an application.

LIMITATIONS FOR RACES OR WALKS

To **manage the impacts** on traffic flow and access to local neighborhoods and businesses, the following limitations have been placed on events held in the City.

1. No more than one City-wide event can be held on the same day or consecutive days.
2. City-wide, there can be no more than 2 non-stationary events requiring street closures per weekend.

GROUNDS FOR DENIAL

It is the desire of The City of Lynchburg to be able to approve and support as many special events as possible, however, the following reasons are grounds for denial of a Special Event Application:

1. An application is not fully completed or the application fee of \$25 has not been submitted.
2. The application contains misrepresentations or is not factually correct.
3. An applicant has not provided the required insurance certificate or other licenses prescribed by the City by the correct deadlines.
4. An applicant has not paid their 25% deposit.
5. An applicant is legally incompetent to contract or to sue and be sued.
6. An applicant has damaged public property on a prior occasion and has not paid in full for the damage or has other outstanding debts to the City.
7. The City is not able to provide for the needs of the event due to limited resources or personnel capacity.
8. The proposed use or activity is prohibited or unsuitable for the uses of the event venue.
9. The applicant has not complied with the applicable licensure requirements, fees, taxes, ordinances, or regulations of the City.
10. The proposed activity will substantially interrupt public transportation or traffic.
11. The applicant has not provided sufficient off-site parking, shuttle service, or both.

If your **application has been denied** by the Special Events Committee, **you will receive written notice** citing the reason(s) why and recommendations for reapplying and receiving an approval.
